

Acme Outdoor Gear - Warranty Terms

Document reference: ACM-LEG-004. Effective from January 1, 2026.

1. Warranty periods

Product category	Warranty
Tents	3 years
Sleeping bags	2 years
Backpacks	Lifetime warranty on zips and seams
Footwear	1 year
Climbing equipment	2 years, manufacturing defects only

2. What is covered

The warranty covers manufacturing defects such as broken seams, faulty zips, delamination of waterproof membranes, and tent poles that break under normal use.

3. What is not covered

Normal wear and tear, UV damage, damage caused by fire or animals, and products modified by the customer are not covered. Climbing equipment involved in a fall must be retired and is never repaired.

4. How to make a warranty claim

The customer sends photos of the defect and the order number through the contact form. The support team answers within 2 business days. If the claim is accepted, Acme Outdoor Gear first tries to repair the product for free in its Grenoble workshop (average repair time: 10 days). If a repair is impossible, the product is replaced with the same or an equivalent model. A refund is only offered if no equivalent product is available.

5. Shipping costs for warranty claims

Acme Outdoor Gear pays for shipping both ways for accepted warranty claims. If the claim is rejected, the product is sent back to the customer for 7.90 EUR or recycled at the customer's request.
