

Fjord Home - Returns Policy

100-day returns

Customers can return any furniture item within 100 days of delivery if it is in resaleable condition: no stains, no scratches, no pet damage. Assembled furniture can be returned, but the customer must disassemble it or pay a 49 EUR disassembly fee.

Exceptions

Made-to-measure items, mattresses whose protective cover has been removed, and items bought in the Outlet section cannot be returned.

Pickup and refund

Returns are picked up at the customer's home for a fee of 59 EUR, deducted from the refund. Returns dropped at the Gennevilliers warehouse are free. The refund is issued within 14 days after the item has been inspected.

Damaged on arrival

Damage must be written on the delivery receipt at the time of delivery. Hidden damage discovered after unpacking must be reported within 7 days with photos. Fjord Home then sends a replacement part or a new item free of charge.
